DEPARTMENT OF ENVIRONMENTAL SCIENCE

Frederiksborgvej 399, 4000 Roskilde

10 January 2020, 10:00 – 11:00

Venue: the Pavilion at Risø Campus in Roskilde, AU

Title: Open Access, AU and AUL

Speaker: Morten Hjorth Gad, Bibliotekar / Librarian / Cand.Scient.Bibl

AU Library, Science and Technology, Det Kgl. Bibliotek / Royal Danish Library
8000 Aarhus C

Abstract: The presentation will start by exploring what Open Access (OA) is, and work its way from there. At the end of the hour the audience, to a certain degree, should be able to answer the following questions:

What is OA?

What policies are there in regards to OA in DK?

Why should we do OA?

How do we do OA?

What can AUL (AU Library) help us with in regards to OA?

Host: Anders Branth Pedersen, senior scientist, Section for Environmental social science and geography, Department of Environmental Science, Aarhus University.
